

The 2017 BLR Scholarship: Film Edition II

GRAND PRIZE:

\$1,000

Gabriel Dennis

“What Would My Family Look Like?”

Attending: Santa Fe University of Art and Design

Degree: Film Production

On behalf of BestLifeRates.org, we'd like to congratulate Gabriel Dennis, and present him with the **Grand Prize of \$1,000** towards tuition for his video titled, “What Would My Family Look Like?”

We had yet another great year of submissions. But with the ability to pick just one, Gabriel (and team) did a fantastic job all around, and stood out from the crowd. The message was clear, the tone was subtle, yet strong, and the final product was put together very well. It was a unanimous decision.

We also want to thank all other participants and applicants for taking the time to spotlight your talents and passion for film making, and we wish you the best in your careers moving forward. If you still meet the requirements, we welcome re-entry into next year's scholarship opportunity, as well.
